

APRIL IS DIG SAFE MONTH

During the month of April, Toronto Hydro is reminding contractors who are planning work that involves digging, to first contact Ontario One Call for a locate.

Contact with a live powerline can cause severe injuries and in some cases, death. It's in everyone's interest to follow safety standards but more than that, **it's the law as stated by the Ontario *Occupational Health and Safety Act*.**

**CALL BEFORE YOU DIG
— IT'S FOR YOUR SAFETY.**

Toronto Hydro has over **13,000 km** of underground wires. That's in addition to gas, cable, sewer and water connections that could be damaged if you dig in the wrong spot.

Book a **FREE** locate to mark underground equipment:
Phone: **1-800-400-2255**
Online: **on1call.com**

Always call before you dig to minimize the chances of hitting underground equipment
